I understand the services listed above will be available. I understand that my student may be seen at the SBHC with my consent if under 18 years of age or not emancipated, and that this consent will remain in force until my student leaves his/her school, or until I revoke said consent in writing. ### Release of Information:

In conformance with Colorado law guiding all medical facilities, my student may request that visits, other than primary physical healthcare, remain confidential under certain circumstances. I understand that the SBHCs are HIPAA compliant healthcare centers. Information in my student's healthcare record is confidential and will not be released to any unauthorized person or agency without written consent. Exceptions to other care are outlined in our Privacy Practices available online at [www.axishealthsystem.org](http://www.axishealthsystem.org) and at the SBHC by request. AHS staff will depend on statements made by the patient, information provided in patient's medical history and other information as available to evaluate a patient's condition and decide on the best treatment.

Some services at AHS may be provided with telemedicine equipment and involve interaction with providers who are not physically in the clinic for your appointment. These sessions are transmitted via secure, dedicated high-speed lines and are not: videotaped, routed through the Internet, or saved in any way. However, relevant information from your visit will be documented in your medical records, just as it would be if the provider had been physically present.

Your healthcare providers will discuss with you the benefits and risks of treatment. If you are unclear about your treatment or the protection of your records, please feel free to ask questions at any time. I understand that the Colorado Department of Public Health and Environment (CDPHE) provides funding for the health services I receive at this school-based health center, and is legally able to receive information regarding services provided to patients. CDPHE receives combined data for all patients, and this data does not specifically identify any individual patient.

I also understand that access to my student's healthcare records, other than physical health or as outlined in our Privacy Practices, require my student to complete a written release of information (ROI). An ROI can be obtained by contacting either of the SBHCs at (970) 385-1168 or (970) 375-3832.

These options may include ability to pay based on sliding fee discounts, special grant-provided services or public-funded health care coverage such as Medicaid. In many cases, our staff can assist qualifying patients with the enrollment or assessment process. Axis offers discounted fees for qualified patients who may be unable to pay the full fee for services. As a non-profit organization, we receive funding from local, state, federal and grant funding sources and we are required to collect financial information from our patients to continue to receive this funding. All information will remain confidential. *By declining to provide the requested financial information, you will be ineligible for financial assistance for your care.*

## FINANCIAL AGREEMENT (PLEASE COMPLETE BOTH PAGES)

### PATIENTS WITH INSURANCE:

As a patient, it is important that you understand the benefits and limitations of your insurance coverage. It is important to note that insurance coverage is not a guarantee of insurance payment. Insurance companies have a variety of plans and coverage that may affect what you are expected to pay. Before your appointment, we will verify your basic insurance coverage as the first step. There may be additional research you want to do to ensure you understand your financial responsibility under your plan. Please read the following for additional information regarding what you may be responsible for.

We require your benefits be *assigned* to AHS so we can be paid directly by the insurance company and *release records* solely for the purposes of payment. AHS participates in Medicare, Medicaid, CHP+ and other public or private insurance programs as deemed appropriate for the care offered at AHS. While we employ qualified professionals, the professional may not be contracted by your insurance company due to contractual requirements. When this occurs, your insurance company will not pay for these services.

*Note:* It is important for you to be aware you are responsible for full payment, regardless of insurance coverage. Your insurance may pay a portion of the claim, however, you are ultimately responsible for the balance not paid by insurance. AHS will mail a statement of your balance due and payment is due to us within 30 days of receiving your statement.

If you receive laboratory services as part of a visit that you have been billed for, your insurance may not cover the charge from our laboratory vendor; however, if you are eligible for our Sliding Fee Discount Program, the lab fees may be discounted.

To find out if you are eligible for the Sliding Fee Discount Program, or should you have any questions regarding your statement, please call our Billing Department at 970.335.2342.

### INFORMATION SECURITY:

We recognize that many patients are concerned about the sensitive nature of the information we collect. Please be assured that we take every precaution to keep your personal information secure and use this information only to assist us in providing the services, filing claims and for identification/communication purposes as it relates to healthcare operations. We are required to obtain complete demographic information which includes your social security number to support billing for the services. Refusal to provide this information may constitute a refusal of service.

By signing this document, I hereby:

**Authorize the Assignment of Benefits:** Assign all medical benefits under my coverage to AHS for services provided to me. Furthermore, my signature authorizes and directs my insurance carrier(s), including Medicare, private insurance and any other health/medical plan to issue payment directly to AHS for services rendered.

**Agree to my Financial Responsibility:** Acknowledge and understand that my insurance co-payments are due at time of service and that I am responsible for any amounts that are not covered by my insurance, which may include co-insurances, deductibles or claims denied due to contracting.

### SLIDING FEE DISCOUNT PROGRAM:

AHS offers a Sliding Fee Discount Program to patients that qualify. Proof of income is required, such as:

- Two most recent paystubs (must be consecutive)
- Previous year's W-2
- Previous year's tax return

**STATEMENTS:**

As a courtesy, AHS will send statements each month for any outstanding balance you owe for services. Due to the separate billing systems required for the variety of services we provide, you may receive separate statements for different types of services rendered in our clinics.

**FINANCIAL RESPONSIBILITY:**

You are responsible for any balance due regardless of insurance coverage. In the event that any account becomes past due AHS reserves the right to collect on these balances prior to scheduling any future appointments. Collection of amounts due may involve a collection agency.

**AGREEMENT TO PAY:**

By signing below you acknowledge your responsibility to pay for any services rendered by AHS. You also acknowledge your understanding that you may be billed for multiple services on the same day if you received both behavioral health and primary care services. AHS reserves the right to limit, reschedule or refuse treatment to anyone who cannot pay at the time of service.

For your convenience we accept cash, check, or credit card as payment.

---

**ACKNOWLEDGEMENT:**

I have received, understand and agree to abide by the above as it relates to my financial obligations as a patient.

AXIS HEALTH SYSTEM WRITTEN ACKNOWLEDGMENT OF AVAILABILITY OF NOTICE PRIVACY PRACTICES & NOTICE OF ELECTRONIC HEALTH INFORMATION EXCHANGE NOTIFICATION

---

## ELECTRONIC HEALTH INFORMATION EXCHANGE NOTICE

AHS endorses, supports, and participates in electronic Health Information Exchange (HIE) through CORHIO (Colorado Regional Health Information Organization) as a means to improve the quality of your health and healthcare experience. HIE provides us with a way to securely and efficiently share (when appropriate) clinical information electronically with other physicians and health care providers that participate in the HIE network. Using HIE helps all of your health care providers more effectively share information and provide you with better care. The HIE network also enables emergency medical personnel and other providers who are treating you to have immediate access to the available medical data about you that may be critical for your care. Making your health information available to your health care providers through the HIE can also help reduce your costs by eliminating unnecessary duplication of tests and procedures. However, you may choose to opt-out of participation in the Axis Health System’s HIE, or cancel an opt-out choice at any time.

## NOTICE OF PRIVACY PRACTICE

AHS adheres to all state and federal regulations as they apply to the access, protection, disclosure and use of your healthcare information contained in our records. The AHS Notice of Privacy Practices provides you with the details associated with how AHS will manage this protected information about you and is available on our website at [www.axishealthsystem.org](http://www.axishealthsystem.org) or by asking for a printed copy at any of our clinic locations.

I \_\_\_\_\_ have read the above two notices related to the use, disclosure, access and protections associated with my healthcare record. I understand that this practice participates in electronic HIE and I hereby authorize the release of medical records to the HIE in support of my care and as necessary to process claims related to my care. Currently my lab results are routinely exchanged in the HIE.

I also understand that details regarding the privacy protections for my record are contained in AHS’s *Notice of Privacy Practice* is available to me both electronically and in paper copy

The following information is also available to you in a Patient Handbook. It can be requested at any of the clinic locations and is also available on our website ([www.axishealthsystem.org](http://www.axishealthsystem.org)). It contains information on our:
